“The Power of Parental Unity: Leading our children to a great life”

Followed by Question Period on topics of interest

Featuring

Mr. James Stenson

an internationally known author and speaker on the family

Mr. Stenson is an educational consultant specializing in family life and family-school relationships. He helped establish two independent secondary schools for boys in the U.S. With over thirty years experience with families, Mr. Stenson has inspired thousands of parents to become great leaders in family life and take seriously their sacred mission to raise their children right.

Saturday, May 28th, 2005

* This seminar is a fundraising event for the Neeje Association for Women and Family, a non-profit charity founded in 1980. Neeje's mission is to provide opportunities for women of all ages to seek human and professional development in order to grow in character and integrity. Neeje believes that promoting the great importance of the woman's role in the family helps build society.
